**A journey
through the ritual
of hospitality**

THE IMPORTANCE OF THE The Ritual

LA IMPORTANCIA DEL RITUAL

Sitting round the table enjoying a special moment.

Food is part of our social and cultural identity, enjoyed with other people, in celebrations, having a good time, laughing and sharing.

A time to offer hospitality and to share special moments with friends and guests. An occasion that brings us together to celebrate, to eat and drink and to put aside for a short while the daily routine.

Conversations springing up round the table; experiences shared which give us little insights into each other's vibes and attitudes.

The details of these special occasions could awaken feelings, tastes, smells and textures that would never be forgotten.

Eating should be a unique experience.

Pensar qué cocinarás, qué vino servirás y cómo decorarás la mesa para esa ocasión tan especial. Una ceremonia ineludible para todas las personas que acogemos a nuestros invitados cuidando cada uno de los detalles para que sientan que su visita es un placer/todo un honor/nuestro placer/un regalo.

Aniversarios, Navidades, un trabajo nuevo, la inauguración de una casa, un bebé en camino. Buenas noticias por las que brindar en compañía. Todos los motivos son buenos para reunirnos y pasar una velada memorable repleta de exquisitos y exóticos sabores, aromas, texturas y sensaciones.

Cada celebración nos crea un recuerdo que perdurará en nuestra memoria. Cada plato, cada copa y cada cubierto se unirán a conversaciones, risas y olores. Gestos de cariño rodeados de las piezas más exclusivas, diseñadas con la mayor delicadeza para que nos acompañen mientras creamos nuestra propia historia.

El ritual de elevar la tradición.

Designing the future of cutlery culture

ELISAVA + culter

Culter's strong commitment to innovation has brought us to new scenario where creativity, design and inspiration drive the development of our collections.

Thanks to our in-house design team and our work with well-known designers, Culter has become a reference for design, exclusivity and quality on the tables of the world.

An achievement also due in part to the involvement of young talented designers in our innovation programme. Our partnership with the Elisava School of Design has been a breath of fresh air to inspire Culter's new collections. A win-win that we have no hesitation in repeating year after year.

La apuesta decidida de Culter por la innovación nos ha transportado a un nuevo escenario donde la creación, el diseño y la inspiración son los motores de la evolución de nuestras colecciones.

Gracias a nuestro equipo interno de diseñadores y a las colaboraciones externas de diseñadores de renombre, Culter es hoy referente en diseño, exclusividad y calidad en todas las mesas del mundo.

Un logro que también ha sido posible gracias a la inclusión de jóvenes talentos a nuestro programa de innovación. La colaboración con la escuela Elisava ha supuesto, para Culter una bocanada de aire fresco para inspirar nuevas colecciones. Un win-win que no dudamos en repetir año tras año.
